

Overall Academic Result – Session 2024–25

Vivekananda World School recorded an excellent academic performance during the academic session 2024–25, in alignment with the academic framework and evaluation norms prescribed by the Central Board of Secondary Education (CBSE). The school continued to uphold high standards of scholastic achievement while promoting holistic development across all classes.

At the Secondary and Senior Secondary levels, the school achieved a 100 percent pass result in the CBSE Board Examinations. Students of Classes X and XII demonstrated outstanding academic performance with several high achievers securing distinctions across subjects. The results reflect strong conceptual understanding, disciplined learning practices, and effective implementation of the CBSE curriculum.

For Classes I to IX and Class XI, assessment was conducted through periodic tests, subject enrichment activities, practical work, and annual examinations as per CBSE guidelines. The overall performance remained commendable, with a significant number of students achieving grades indicating proficiency and excellence. Focused academic interventions, remedial teaching, and enrichment programmes contributed to improved learning outcomes and skill development.

In addition to board examination success, students of Vivekananda World School excelled in various Olympiads and competitive examinations at national and international levels. Several students secured prizes and merit positions in recognised Olympiads, showcasing strong analytical, logical, and problem-solving skills.

A notable achievement of the session was secured by **Bhoomi Wadhwa of Grade XI, who attained the 2nd International Rank in Digital Science, bringing global recognition to the school**. This accomplishment highlights the school's emphasis on STEM education, digital literacy, and innovative learning.

The school-maintained transparency and consistency in evaluation, ensured regular academic review, and strengthened home-school collaboration through structured Parent-Teacher Meetings. Alongside academics, emphasis was placed on values, discipline, life skills, and student well-being.

The overall result of Vivekananda World School for the session 2024–25 reflects sustained academic excellence, competitive achievement, and full compliance with CBSE Affiliation Bye-Laws, reinforcing the school's commitment to nurturing confident, competent, and future-ready learners.
